

## Speech Pathology

My Rehab Team/ My Rehab Team- paeds

Full Time/ Part Time/ Contractors

Adult/Paediatric or Mixed

### About Us

My Rehab Team and My Rehab Team - Paeds are growing and seeking passionate clinicians dedicated to supporting people within the community. We provide clinicians with the opportunity to achieve their clinical aspirations, offering the flexibility to choose a mixed, paediatrics, or adult caseload. Two positions are currently available.

Our well-established service operates with a family-oriented, multidisciplinary team approach. For the adult caseload, we focus on neurological conditions and complex disabilities. The paediatric caseload is more general, enabling clinicians to tailor their caseload to their specific areas of interest whether feeding, AAC, speech sound disorders or other communication challenges.

Our workplace is flexible, offering both clinic-based and mobile work. Clinicians have the autonomy to manage their own schedules to meet our low KPIs. In addition, we offer generous TOIL, once weekly KPIs are met.

Our mission is to empower individuals to overcome challenges and lead more independent lives. Every day, we make a meaningful impact on our clients' journeys toward capacity and independence.

### Tasks & Responsibilities

- Assess and address an individual's communication and swallowing/ feeding needs
- Assess and prescribe assistive technology - AAC
- Empower individuals with communication challenges to build their capacity
- Empower individuals to be fulfilled socially and economically
- Provide training to informal and formal support network
- Collaborate with other disciplines such as dietitians and occupational therapists to provide holistic clinical management.

- Participate in research and community development projects

### **What You Need:**

- Bachelor's or Master's degree in Speech Pathology
- SPA registration
- NDIS Worker Screening/ WWCC
- Valid driver's licence
- Professional indemnity insurance
- Current CPR & First Aid certificate
- Unrestricted rights to work in Australia

### **What we offer:**

- Competitive wage
- Low KPIs with bonus TOIL
- Flexible work hours
- Flexible workspaces—community and clinic-based opportunities
- Work life balance
- A supportive, dynamic multidisciplinary team
- Tailored mentoring and clinical supervision from experienced practitioners
- PD allowance of \$1500 p.a and 5 study leave days
- Opportunities for career growth
- Monthly professional and social catch-ups
- Managerial and administrative support for career development and daily tasks
- Community and tertiary partnership opportunities

New grads and early career grads are welcome! Our culture is to encourage, mentor and support. Additional to regular planned supervision sessions, a monthly NG/Early career lunch is part of your calendar.

Don't miss this exceptional opportunity to be part of a closely-knit community-driven organisation where you can truly shine, receive expert guidance, expand your knowledge through multi- and interdisciplinary collaboration, and grow in your career while maintaining a healthy work-life balance.
